# **The Fregenet Foundation 3rd Anniversary Celebration**

Sunday, September 17, 2006: 4:00 – 7:00 PM Korean Western Presbyterian Church of Los Angeles 1218 South Fairfax Avenue Los Angeles, CA 90019 (“Little Ethiopia”, Fairfax Avenue).

Please join us to celebrate the 3rd Anniversary of the founding of the Fregenet Foundation at an afternoon family event to be held in the “Little Ethiopia” District of Los Angeles on September 17, 2006. The Foundation is proud to celebrate its 3rd Anniversary of providing educational opportunity to underprivileged children in Addis Ababa, Ethiopia. Since its founding in 2003, the Board and staff have been working diligently - running the Fregenet Kidan Lehisnat School and raising awareness about the plight of children in Ethiopia.

So far, we have been very successful! We started with a strong commitment to better the lives of Ethiopian children and provide hope for their future. Through the hard work of our committed staff and volunteers, we opened the doors of the Fregenet Kidan Lehisnat School in the fall of 2004, and enrolled 31 children of ages 4 to 6 from a small and impoverished community in Addis Ababa. In the school’s third year of operation, the number of students enrolled has grown to 100.

But that’s not all: The school has also moved to a new facility that has more classrooms and a larger playground to serve the students better. With the provision of additional school materials, the school will not only provide improved and comprehensive services to 100 children, but also to their families and the community as well. Yes, we are planning for much more!

So please join us as we celebrate this moment and wish the Foundation a “Happy 3rd Anniversary”!
